

# RAHUL RAMACHANDRAN

## MERN DEVELOPER

rahuloff432@gmail.com | +91-9895885219 | Address - Kochi,Kerala,India

[www.linkedin.com/in/rahul6r432](https://www.linkedin.com/in/rahul6r432) | [github.com/rahul-6-ramachandran](https://github.com/rahul-6-ramachandran) | <https://rahul6web.000webhostapp.com/>

## Projects

---

**Movie Website UI** (Github-<https://github.com/rahul-6-ramachandran/book-my-show-Clone>),  
(Website-<https://book-my-show-clone-cz36goglj-rahul-6-ramachandran.vercel.app/>)

- Developed a basic clone web app of book-my show online movie ticket booking platform enabling users to browse new movies.
- Employed **React.js** for frontend development and **TMDB API** for real-time movie data.
- Leveraged Tailwind CSS to design a fully responsive website, ensuring seamless adaptability across all screen devices for enhanced user accessibility and engagement.
- Integrated **Razorpay** Payment Gateway test method for ticket booking.

Technologies Used – **React.js, Tailwind-CSS, HTML**

**Food Delivery Web-App** (Github - <https://github.com/rahul-6-ramachandran/Zomato-Project>)

- Developing a fully functional Zomato clone web-app utilizing **React.js** for advanced front-end functionality,**Node.js** for backend infrastructure, and **Redux** and **Axios** for efficient state management, **MongoDB** for data storing thereby optimizing web-app performance and enhancing user experience.
- Integrating **Razorpay**, Google authentication using **OAuth 2.0,Mailgun,OpenMaps**.

Technologies Used – **Redux, Node.js, React, Express.js, MongoDB, JavaScript, HTML, CSS, Headless-UI, Tailwind-CSS**

## Skills

---

- |                                 |   |
|---------------------------------|---|
| • <b>Programming Languages</b>  | C   C++   JavaScript   HTML   CSS                                     |
| • <b>Libraries / Frameworks</b> | React.js   Redux   Node.js   Express.js   Tailwind-CSS   RESTful APIs |
| • <b>Tools / Platforms</b>      | Git   Github   VScode   Postman   Leetcode                            |
| • <b>Databases</b>              | MongoDB   MySQL   |
| • <b>Soft Skills</b>            | Critical Thinking   Problem Solving   Debugging   Team Player         |

## Education

---

**MG University, Kottayam, Kerala, India**

2020 – 2023

- BCA | CGPA: 6.45 / 10

**GHSS Edappally**

2018 – 2020

- State | (Class XII), 80.2 %

**St.Alberts HSS, Ernakulam**

2017 – 2018

- CBSE | (Class X), 9A+

## Certificates and Coding-Profile

---

- **Full Stack Development (MERN) Training**

- **GeeksForGeeks**
